CHIME THROUGH THE YEARS

“LETTER TO LOUISE MICHEL” BY FLORINE CONSTANT AND LOUISE PLUYAUD

CHIME FOR CHANGE Through the Years: The Female Fabric is a series curated by CHIME Managing Editor Mariane Pearl featuring stories from the CHIME journalism platform archives by women around the world.

14 female journalists participated in CHIME FOR CHANGE's second Women Bylines workshop in Paris. Co-hosted by Gucci and the Kering Foundation with support from Hearst Magazines, the five-day workshop provided writers, filmmakers and photographers with intense journalism training and professional mentoring to support the production of under-reported stories affecting women.

Louise was named after the ultimate French feminist Louise Michel, a name she intends to honor. Two hundred years after her namesake's death, Louise explains what feminism looks like now.
